University of California
Berkeley 4, California

Dear Mike:

Hank Lardy tells me that you have arranged to give your Enzyme Seminar here on the 7th of February.

Would you care to accept our hospitality for the occasion of your visit? As you may remember, our guest facilities are primitive but the company will be congenial. If you would prefer the comfort of a private room, do not hesitate to say so, but we will be more than pleased to have you to ourselves.

Yours sincerely,

Joshua Lederberg
